

IT'S FRIDAY NIGHT.

Your week has been long and you're exhausted.

As you take your seat in one of
CTG's theatres, you begin to

FEEL ALIVE:

Friendly faces greet you and
warm conversation soothes you.

THE LIGHTS DIM AND
THE SHOW STARTS.

It doesn't take long for the trouble
of your week to melt away.

You're mesmerized by the spectacle of live theatre,
where cutting-edge drama and music and dance collide,
where your mind is stretched and moved in ways
you never thought possible.

YOU'RE INSPIRED.

YOU'RE HOME.

THE LIGHTS RISE,
AND YOU, TRANSFORMED,
are ready to conquer the world.

Then music from a distant place calls you
to talk, to laugh, to share with engaged, informed
and active theatre-lovers.

The after-party begins. And so does

YOUR NIGHT...

FREQUENTLY ASKED QUESTIONS

What is The Fringe @ CTG?

The Fringe @ CTG is a group of young professionals who love theatre and understand its importance in Los Angeles. Members of The Fringe @ CTG have the opportunity to explore theatre with their peers in an engaging atmosphere while raising awareness and funds for Center Theatre Group's New Play Production program. This group will foster future subscribers, donors and community leaders at CTG.

How much does it cost?

The membership is \$200 which includes a \$100 tax-deductible donation and admission to six Fringe mixers throughout the year. After you join, you purchase show tickets for Fringe events individually at the special Fringe discounted price. This provides flexibility because you can choose what shows you want to see. You also get access to discounted tickets to all of CTG's other shows for one year.

What are Fringe events like?

Fringe events are a unique experience because you get to attend with people like you who share a passion for the theatre. When you arrive at the theatre, you don't have to wait in the long box office line. Pick up your ticket at a specially designated Fringe table in front of the theatre. When you enter the theatre, you sit with the other members of the group. Following the show, there are amazing after-parties with great food and signature drinks. You get to meet the cast from the show and develop friendships (and meaningful business relationships) with other young professionals in L.A.!

Where are the after-parties?

We always find fun places to host our after-parties. Sometimes it's at a nearby restaurant, sometimes it's a donor-only venue, and sometimes it's in the lobby of the theatre complete with a full bar, DJ, and delicious food. We can promise it's always a great time no matter where it's at—because it's all about the company. You can visit our Facebook page to see pictures of past events. www.Facebook.com/CTGFringe

What if I want to bring someone with me who is not a Fringe member? Can I buy them a ticket?

Yes, anyone can attend! The cost for non-member tickets to events will be higher than the Fringe price and are determined on a per show basis. All prices include one theatre ticket and access to the post-show mixer.

I'm told \$100 of my membership is a tax-deductible donation for New Play Production. Where does the money go?

Simply put: Your gift ensures that a new generation of theatre-lovers will have access to innovative and exciting, nationally-significant theatre in L.A. by supporting new play development at CTG. What does that mean for you? It means by joining The Fringe, you may be supporting the next Pulitzer Prize winning drama, the new great American comedy, or THE show that changes your perspective on our big, beautiful world...for good.

I'm young (or young at heart). Do I count as a young professional?

The Fringe @ CTG is primarily made up of people between the ages of 22-39, but if you're just outside that range, we won't tell if you don't...
