Passport Membership

See ALL THE SHOWS WHEN YOU WANT and SAVE UP TO 50%!

The CTG Passport is an incredible deal for theatre lovers who want an extra flexibility in their schedule. All you do is purchase an Annual Passport — which is like a flex pass — for \$100.

Throughout the year, you can then buy tickets to individual performances based on your schedule (and ticket availability, of course). You'll be amazed how quickly it pays for itself, since you can buy 1 or 2 tickets to **every production** at the Ahmanson, Taper and Douglas for **up to 50% off full price tickets!**

Oh sure, there are a few restrictions (the lowest discounted price is \$20 per ticket, and you won't get front orchestra seats at the Ahmanson*), but you will see a lot of great theatre for not a lot of money. AND you'll still get groovy member benefits like free ticket exchange.
